EOS One Cookie Policy

Cookie Policy

Effective date: July 22, 2026 **Last updated:** July 22, 2026

What are cookies?

This Cookie Policy explains what cookies are, how we use them, the types of cookies we use, the information we collect using cookies and how that information is used, and how to manage your cookie settings.

Cookies are small text files used to store small pieces of information. They are stored on your device when a website loads in your browser. These cookies help ensure that the website functions properly, enhance security, provide a better user experience, and analyse performance to identify what works and where improvements are needed.

How do we use cookies?

Like most online services, our website uses both first-party and third-party cookies for various purposes. First-party cookies are primarily necessary for the website to function properly and do not collect any personally identifiable data.

Third-party cookies used on our website help us understand how the website performs, track how you interact with it, keep our services secure, and improve the speed of your future interactions with our website.

Types of cookies we use

Necessary

Necessary cookies are required to enable the basic features of this site, such as providing secure log-in or adjusting your consent preferences. These cookies do not store any personally identifiable data.

Cookie	Duration	Description
`__dpl`	7 days	A technical cookie set by Vercel, the hosting infrastructure that powers this website. It supports the deployment and build process. This cookie does not collect personal data and is not used for tracking, analytics, or advertising purposes.
`__cf_bm`	1 hour	Set by Cloudflare to support bot management and protect the site from malicious traffic.
`cookieyes-*`	1 year	Set by CookieYes to store your cookie consent preferences and remember your selections across visits.

Analytics

Analytical cookies are used to understand how visitors interact with the website and application. These cookies help provide information on metrics such as the number of visitors, feature usage, and overall product performance.

Cookie	Duration	Description
`ph_phc_*`	1 year	A persistent identifier set by PostHog, our product analytics platform. Used within the EOS One application to understand how users interact with features, measure product usage, and improve the overall experience.

Cookie	Duration	Description
		This cookie does not serve advertising purposes.

Advertisement

Advertisement cookies are used to measure the effectiveness of marketing campaigns and deliver relevant content to visitors based on prior interactions with our website.

Cookie	Duration	Description
`_fbp`	3 months	Set by Meta (Facebook) to store and track interactions on our marketing website for advertising measurement purposes.

Manage cookie preferences

You can modify your cookie settings at any time by clicking the **Cookie Preferences** button in the footer of our website. This will allow you to revisit the cookie consent banner and update your preferences or withdraw your consent.

Additionally, most browsers allow you to block or delete cookies directly. Below are links to instructions for major browsers:

- Google Chrome
- Apple Safari
- Mozilla Firefox
- Microsoft Edge / Internet Explorer

If you are using a different browser, please refer to its official support documentation.

EOS One is a product of Atlas UP, Inc. For questions about this policy, contact us at help@eosone.com.
